

**1968 LAHIAN**

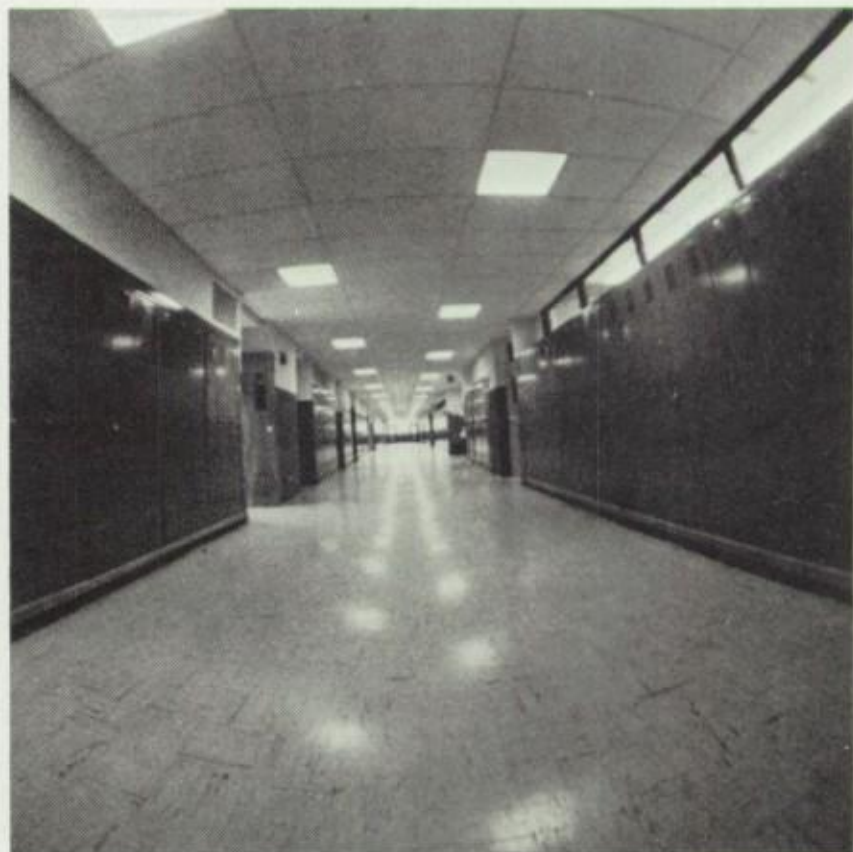

The  
dimensions  
of the  
past

When  
time  
was

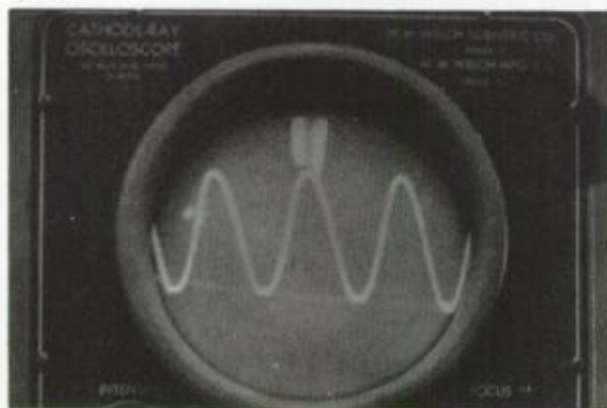

You were too

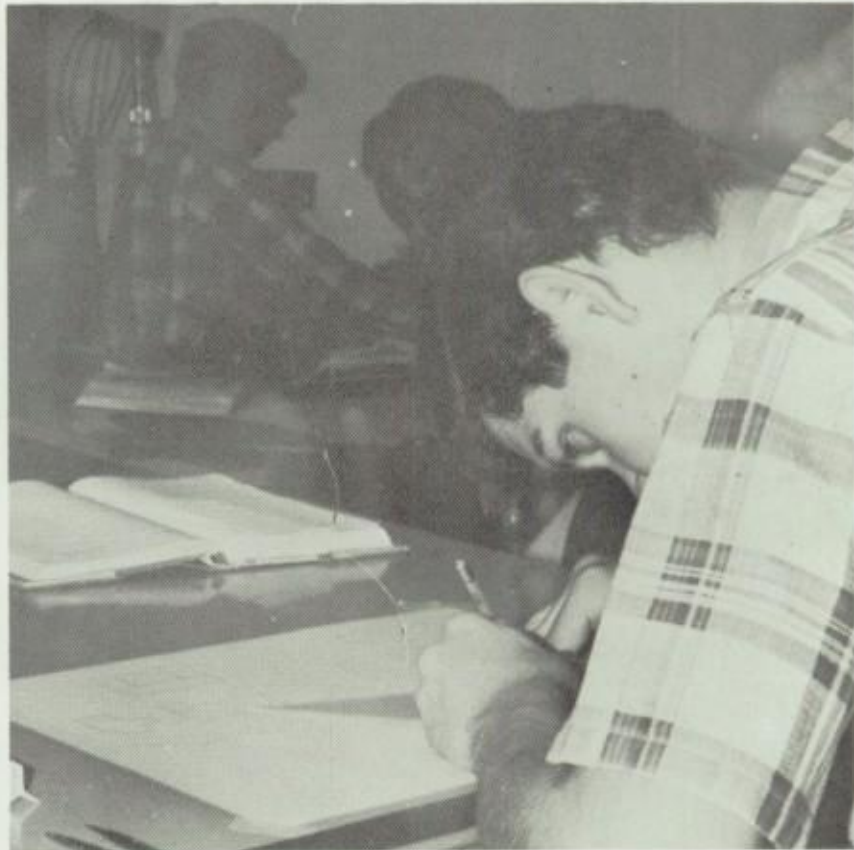

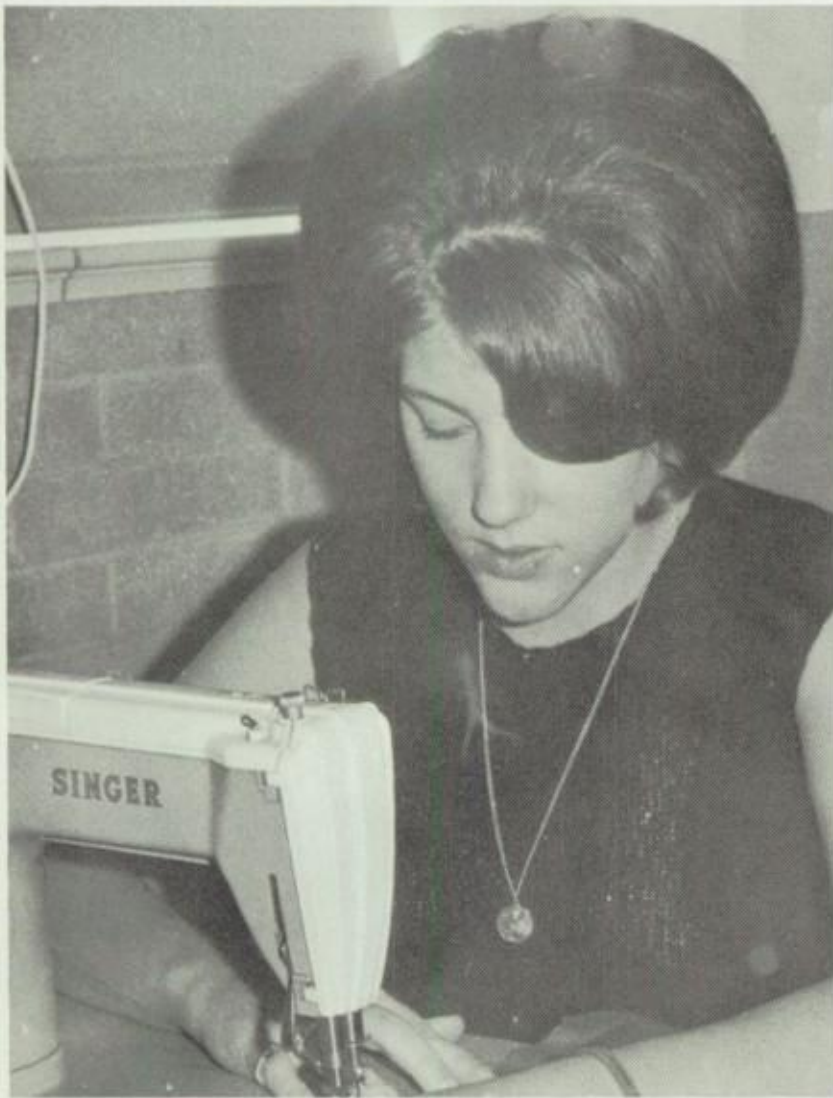

A theme: life will not be one long victory yell. Lakewood knows and tells you so. Its bells ring out an awareness of you in time. Time has been and always will be. But you and your times are unique and impermanent. Unless memory is granite.

Conforming  
to life's  
demarcations

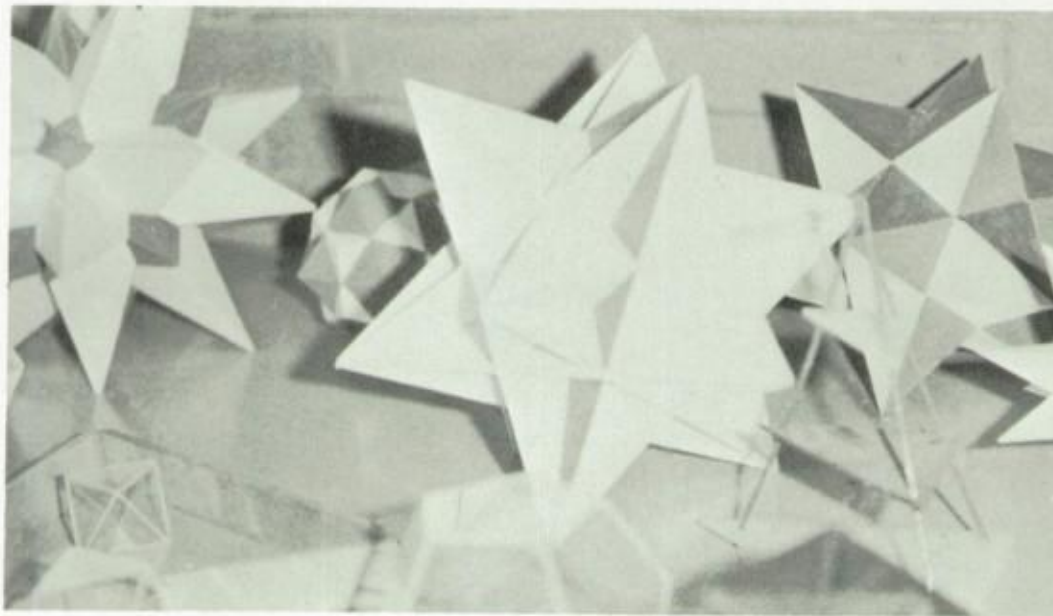

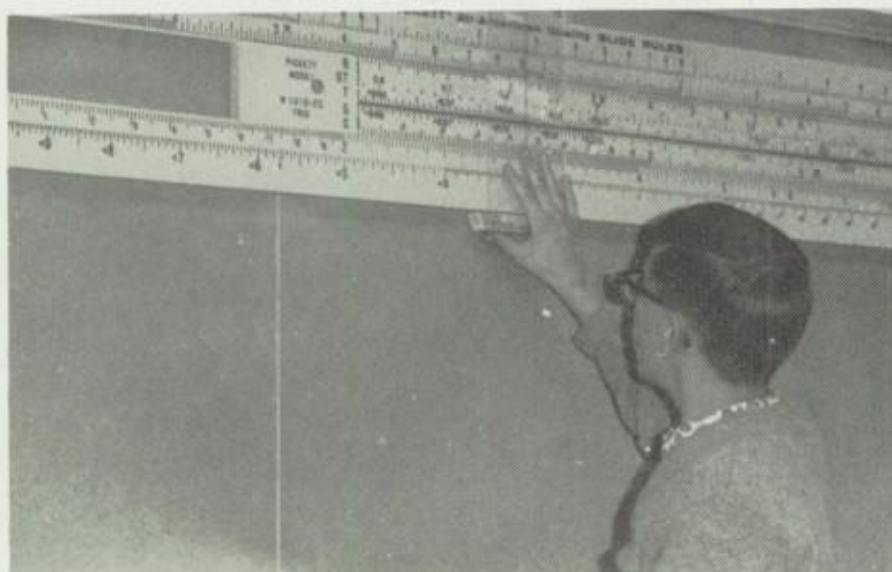

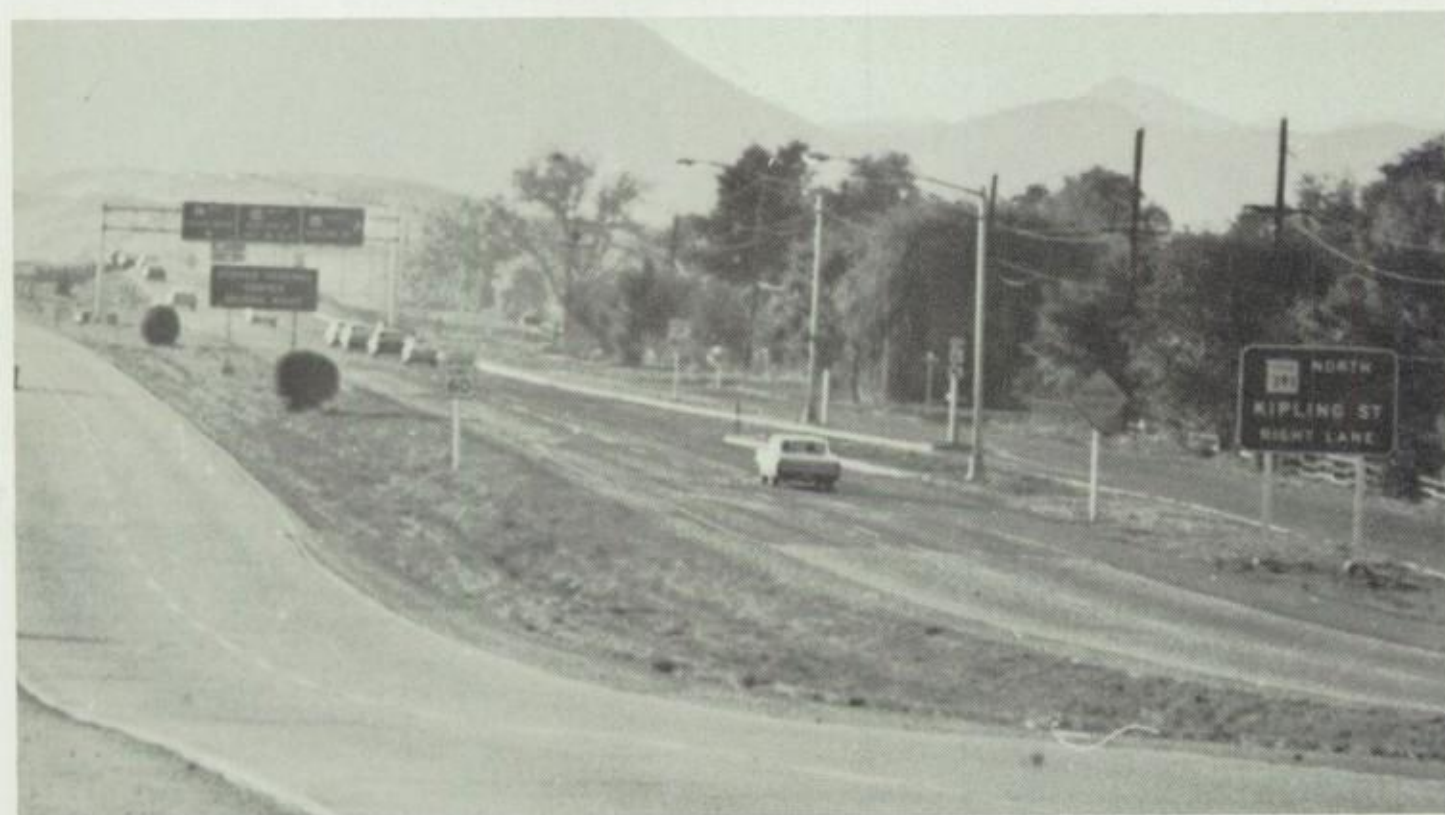

Find a line and stand in it...if you can't find the right one, stand alone long enough and a line will form around you. The line has a name; call it conformity, see it--separation. Separation is a self-imposed boundary--a limit on infinite you. Your boundaries control and confine until you dare to step over them.

Abandoning  
the  
surface  
approach

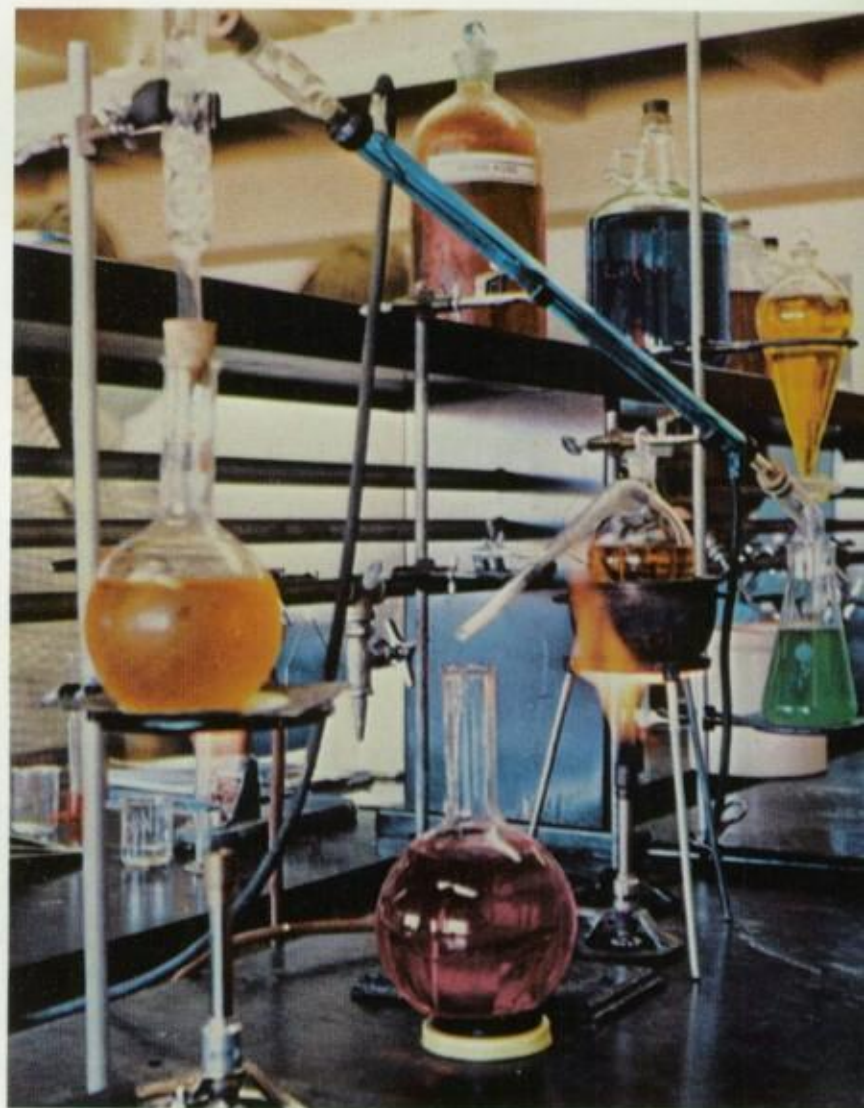

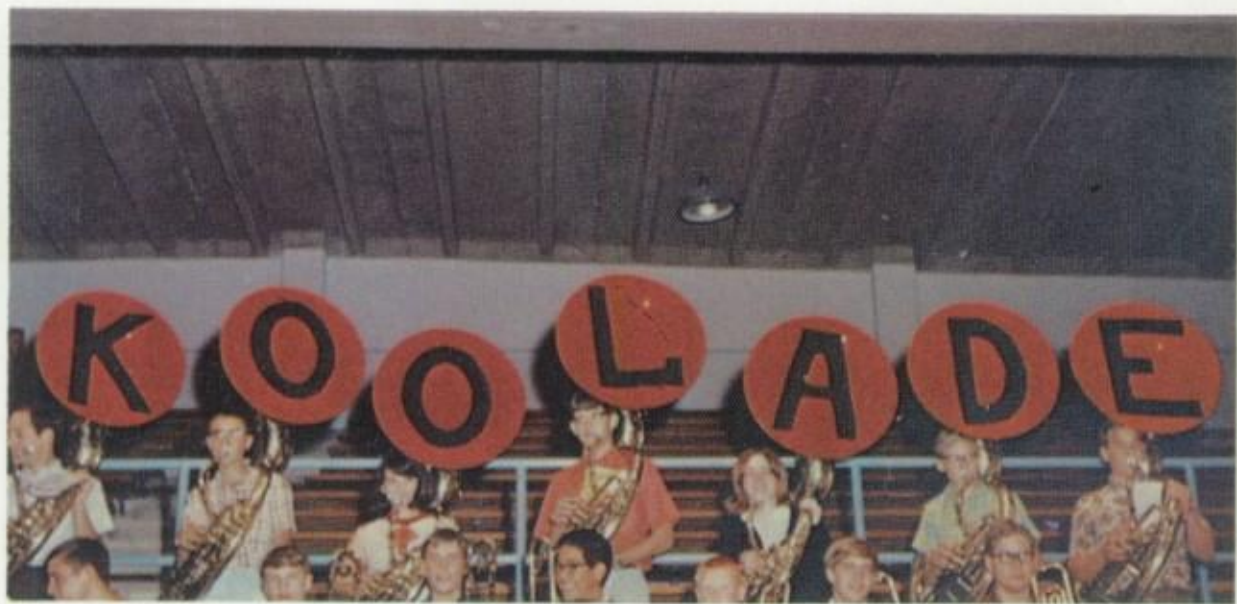

Water stretches, un-  
ending glass. At the sur-  
face it can only reflect.  
Below lies a deeper image.  
To touch the image you must  
break the surface. To  
grasp the image you must  
submerge.

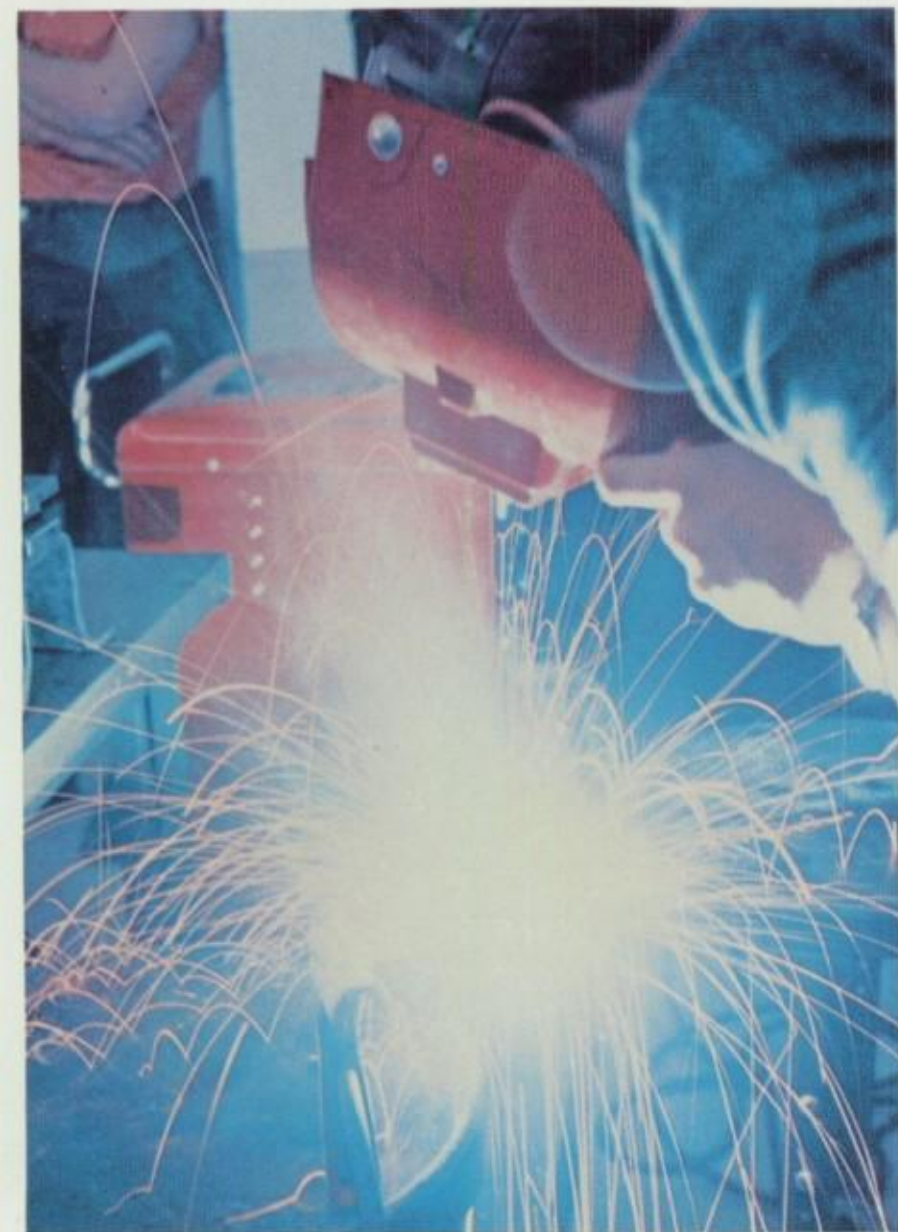

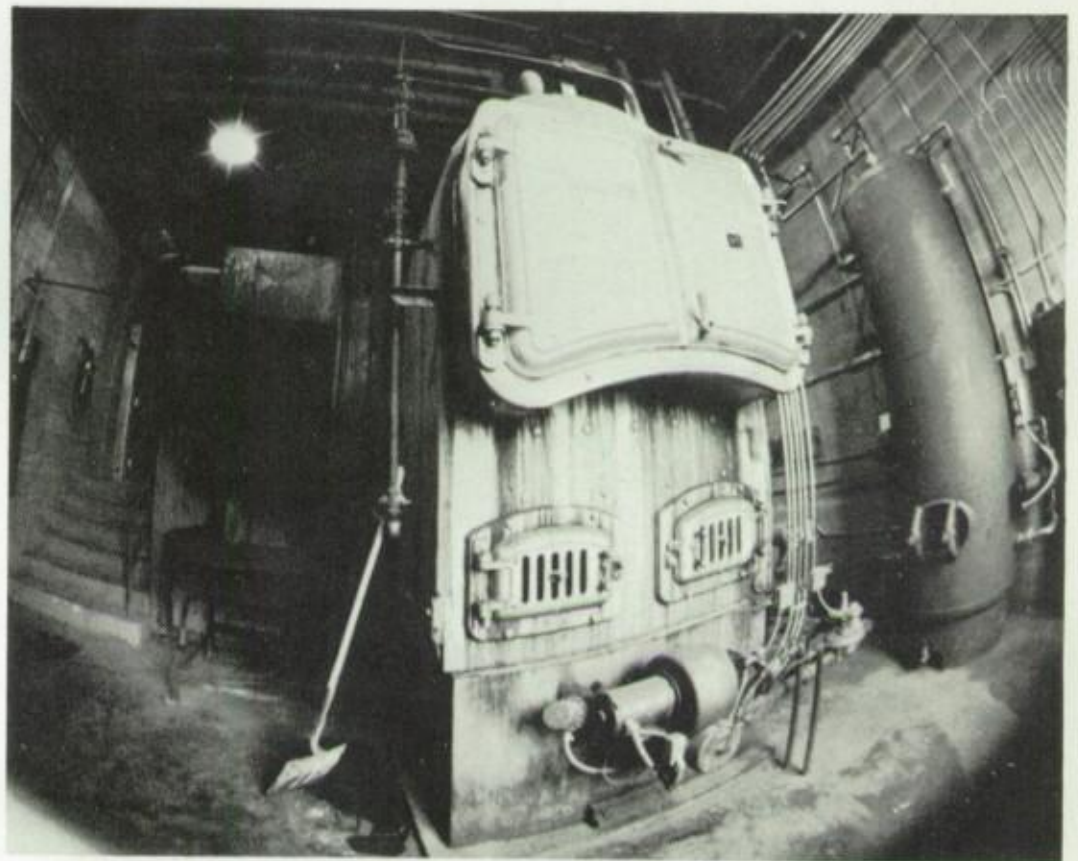

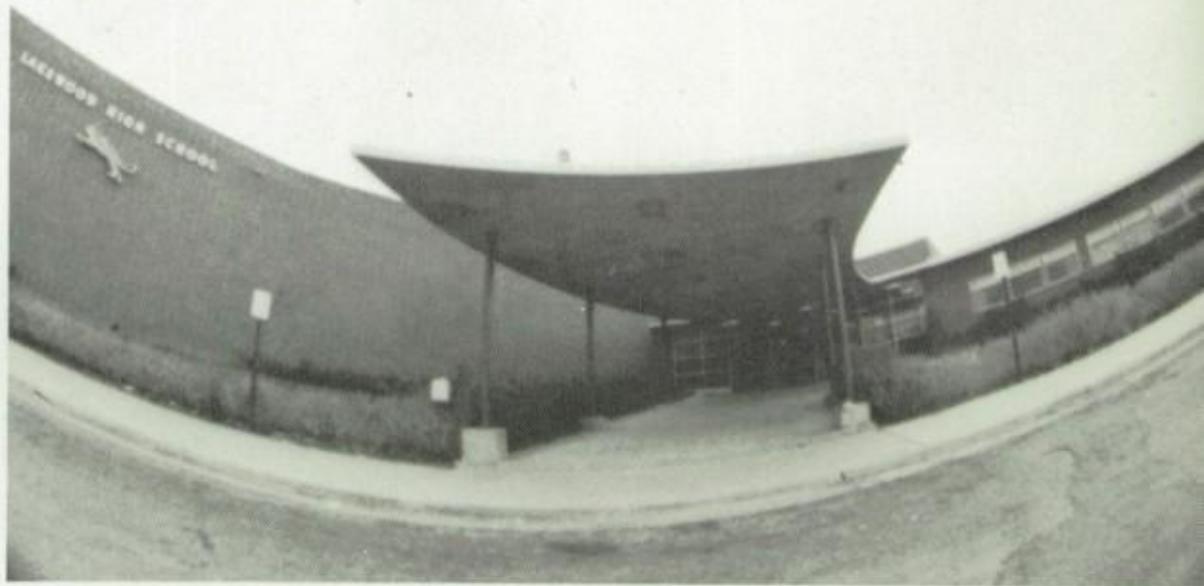

## Discovering the 3-d world

At times Lakewood seems a hospital of the mind whose pink and green halls are calculated to soothe. But that is the antiseptic approach.

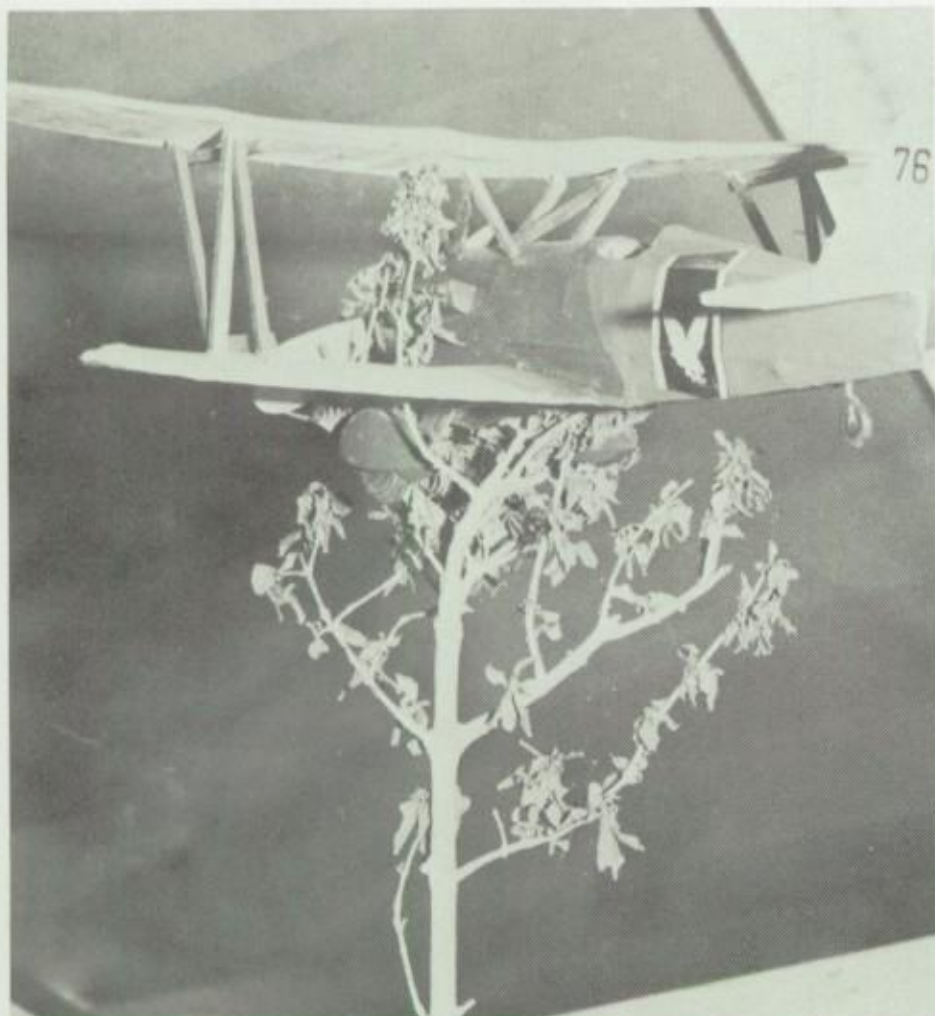

Where  
nothingness

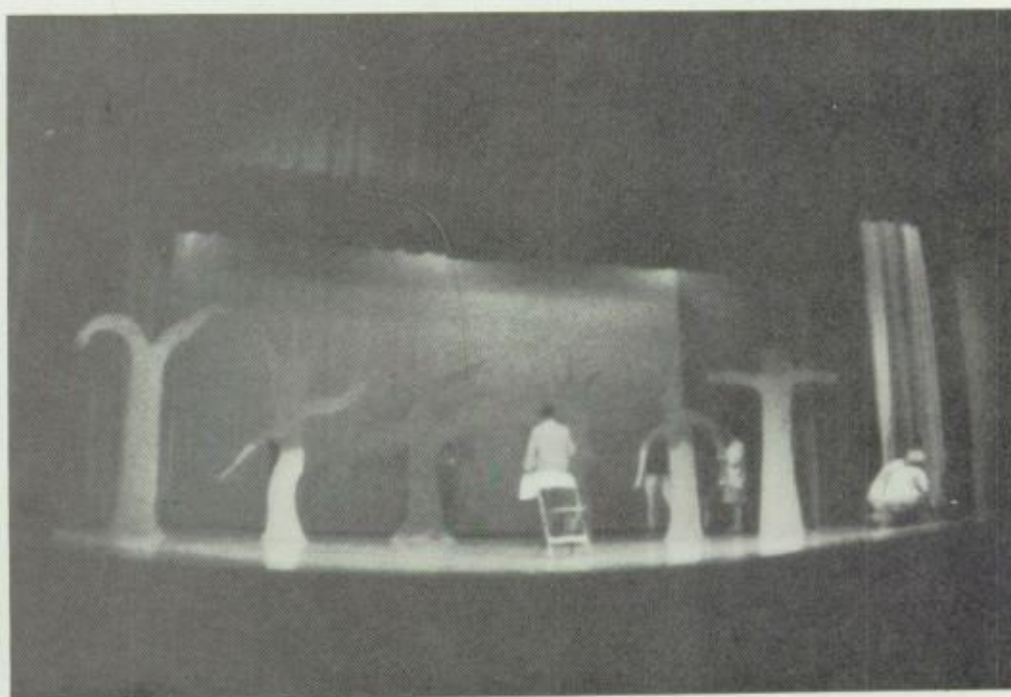

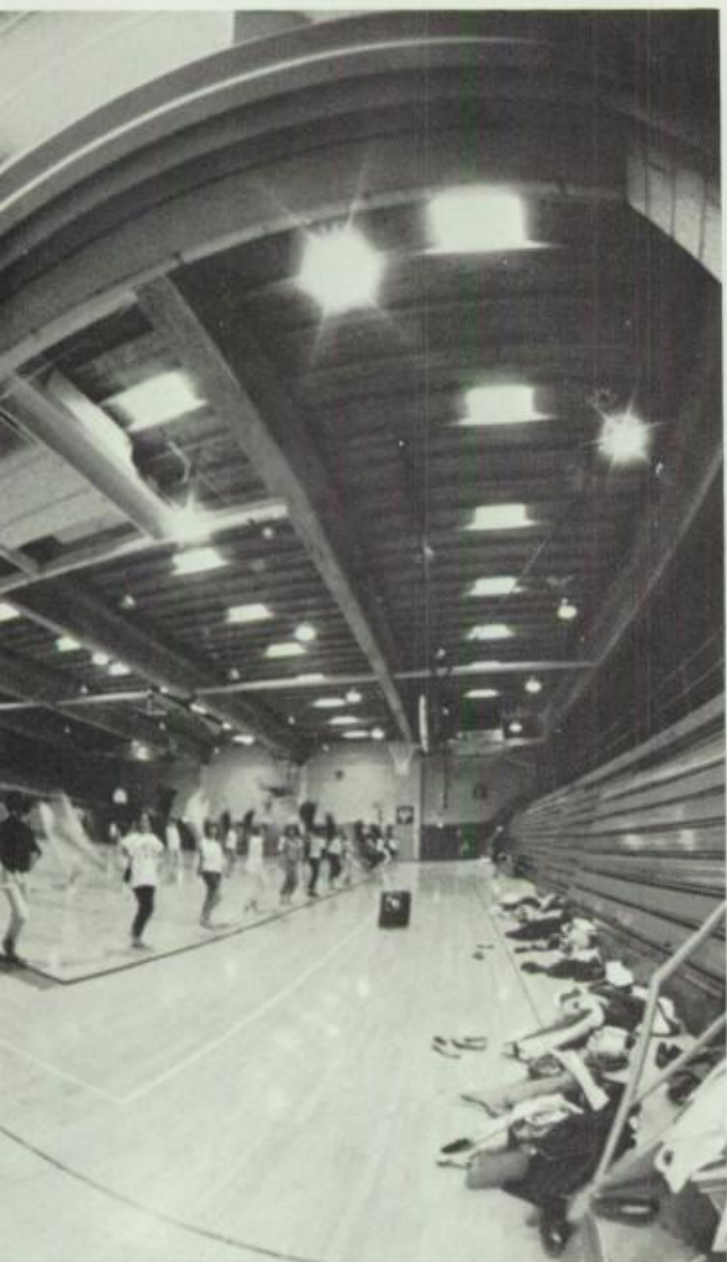

is somethingful

## The third power

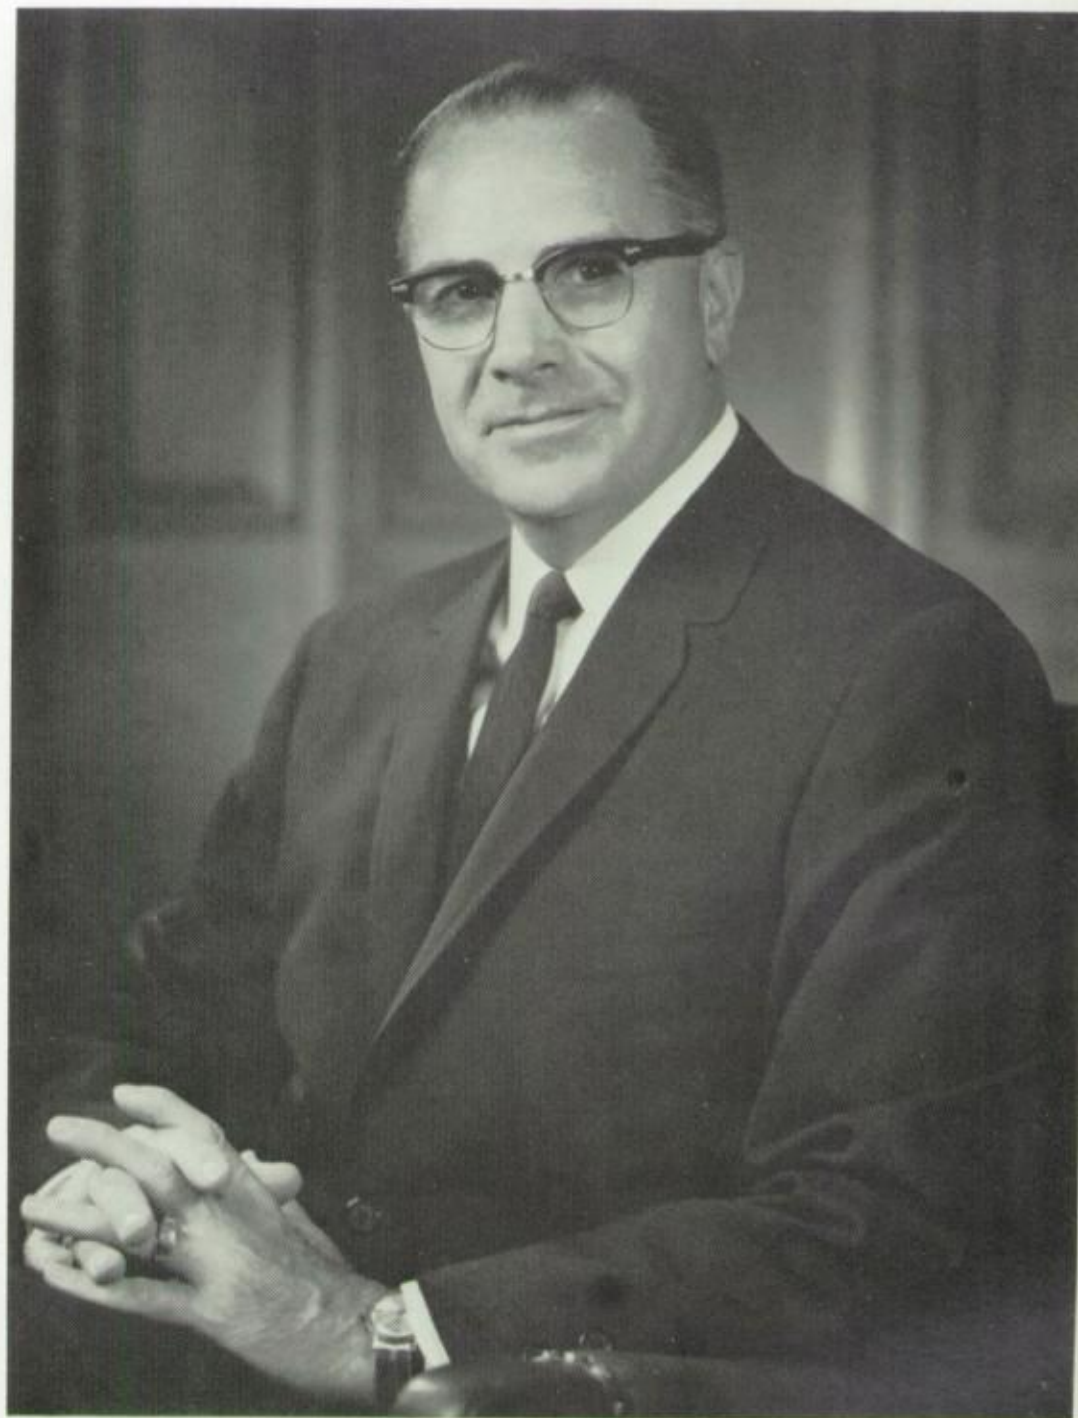

To motivate an individual, to give him oral, written, and mental powers, to raise him to the third degree--is to give him academics.

## The core of stability

BOARD OF EDUCATION: l. to r., Mr. Wayne A. Van Arsdale; Dr. William S. Twenhofel; Mrs. DeDe Gorin, Assistant Secretary to the Board; Mr. Charles O. Moore; Mr. Hal Shelton; Mr. Lewis E. Stieghorst.

MR. DALE MOORE  
Assistant Principal

The administration, like the core of a mountain, supports the entire structure of Lakewood High School. Because of this responsibility, it must remain oblivious to the batterings of outside forces and stand firm during minor tremors. Stability is the key word of the administration, stability to make Lakewood a strong, reciprocal organization, and to keep it the highest peak in a range of schools.

Assistant Principal

## To build a future

MISS MARILYN JENSEN  
Junior and College Counselor

MR. RICHARD POWNALL  
Senior Counselor

MR. J. L. WEICHMANN  
Junior Counselor

MRS. TOMMY PHIPPS  
Sophomore Counselor

These five counselors are all professional craftsmen. They work each day molding, fitting, perfecting, and polishing the futures of students at Lakewood High School. Working with the materials at hand, they attempt to bring out natural talents and interests. Together, the counselors hope to help the student know himself and graduate from this school headed toward a definite goal.

To enable a student to realize his individual interests, the Careers Center offers many sources through which he may discover himself and his potential. Available at the Center are informative films and tapes, plus many shelves of literature explaining occupational opportunities. The first in the county, the Careers Center serves to expand the guidance facilities at Lakewood High School.

# The unity of language

Foreign languages are more than English in disguise, for they separate peoples and their cultures. Countries are stitched together only as pieces in a patchwork quilt, their citizens pinned inside. The study of languages can, however, release these bonds and begin to unite the earth into a single world.

## The symphony of communication

The rustle of pages. . .  
the tuning of minds and  
senses. . .the tapping of a  
baton. The movement be-  
gins. Notes, colors, and  
words whisper out, then,  
confident, tumble and pile  
toward a climax in the sym-  
phony of expression. For  
each player the experience  
of preparation, rehearsal,

al, yet universal, for the

## Planes of action

After school exists a second dimension. Lakewood does not stop at 2:40. Activities go on.

# Student council: an expression of leadership

Student Council plans Pride Week.

SENIORS: BACK ROW: Dick Cottrell, Ken Spector, Jay Meshko, Wolfgang Schuhmacher, Brad Baker, Scott Martin. FRONT ROW: Jon Cram, Jim Wall,

JUNIORS: BACK ROW: Bruce Russell, Brian Collins, Pete Schmitz, Dennis Nelan, Jerry Williams, Mike Storin. FRONT ROW: Scott Dunlap, Susan Enos, Cristi Salzgeber, Kathy Ellsbury, Martha Hansen, Fred Skillern.

SOPHOMORES: BACK ROW: Dan Warner, Larry Akey, Rick Johnson, Don Nakayama. FRONT ROW: Jeff Richey, Kim Sutter, Carole Rutherford, Lyn Thomson, Bobbi Parish.

The Student Council projects express the leadership of its members. Throughout the year the Council sponsors such activities as the canned foods drive, the Talent Show, and Tigers' Dens as well as proposing legislation to improve Lakewood High.

# A cultural exchange

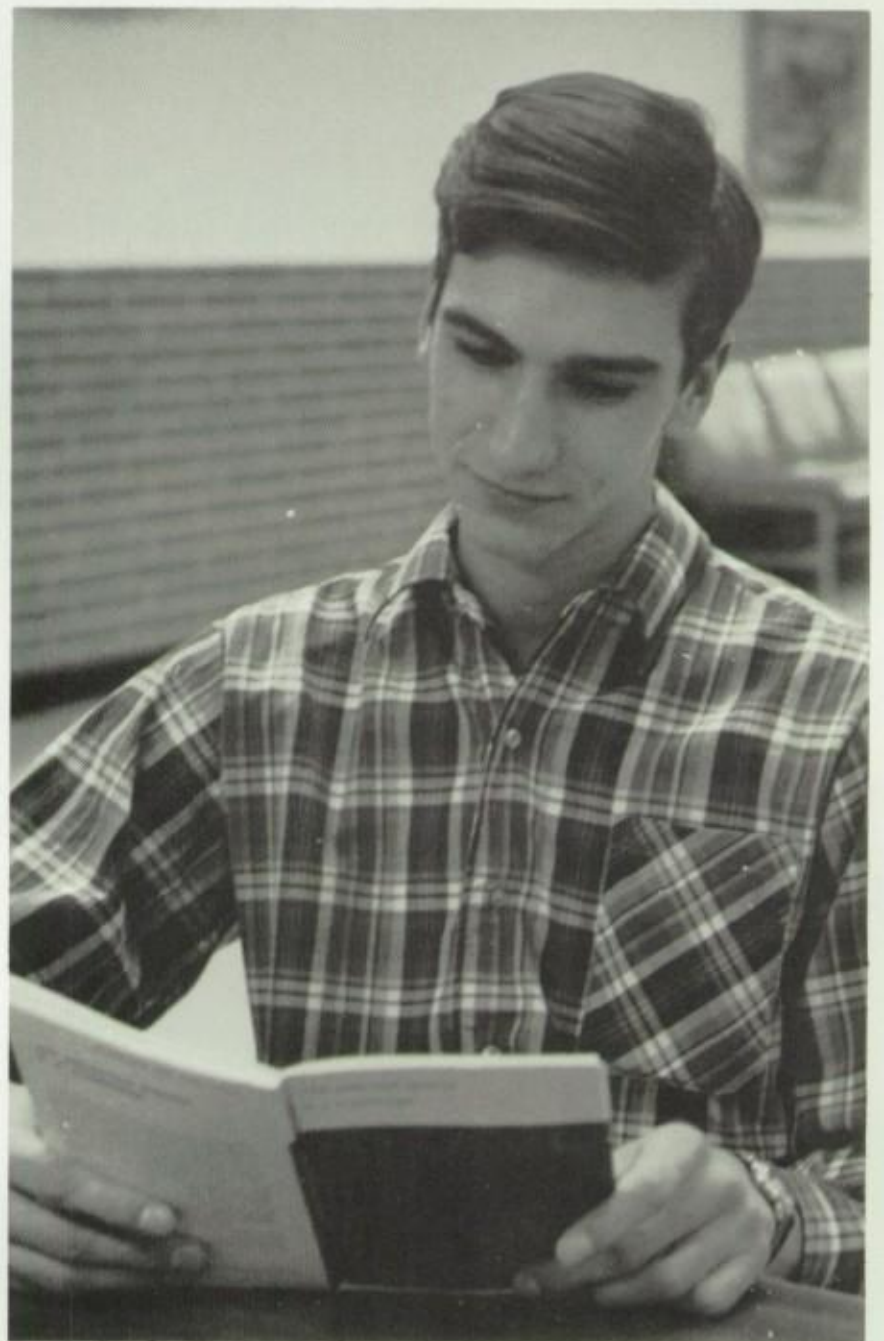

AFS OFFICERS: Marcia Warner, Jane Lyons, Nancy Stead, Wolfgang Schuhmacher.

"And then I said..."

America offers many new experiences for Wolf. Wolf takes an active interest in school activities and is an officer in A. F. S. He also enjoys such extracurricular activities as Tigers' Dens and skiing. These new experiences are often as confusing to Wolf as e. e. cummings' poetry: yet, they provide clear memories to return with to Austria.

Wolfgang Schuhmacher, AFS exchange student, tries to decipher e. e. cummings.

Foreign Language Club members share experiences.

The fascination to learn something new, something different, arises from exploring other cultures. The Americans Abroad Program of A.F.S. allows an interchange of students from different nations. By visiting local situations of foreign cultures, Foreign Language Club momentarily lives in that cultural environment.

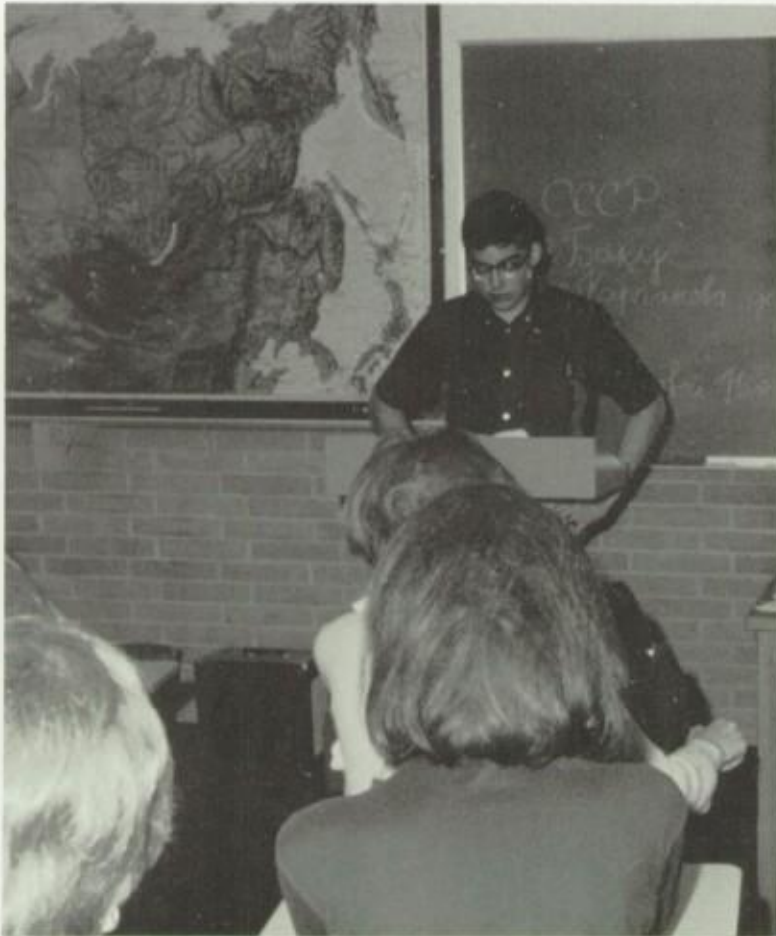

A. F. S. members learn by listening.

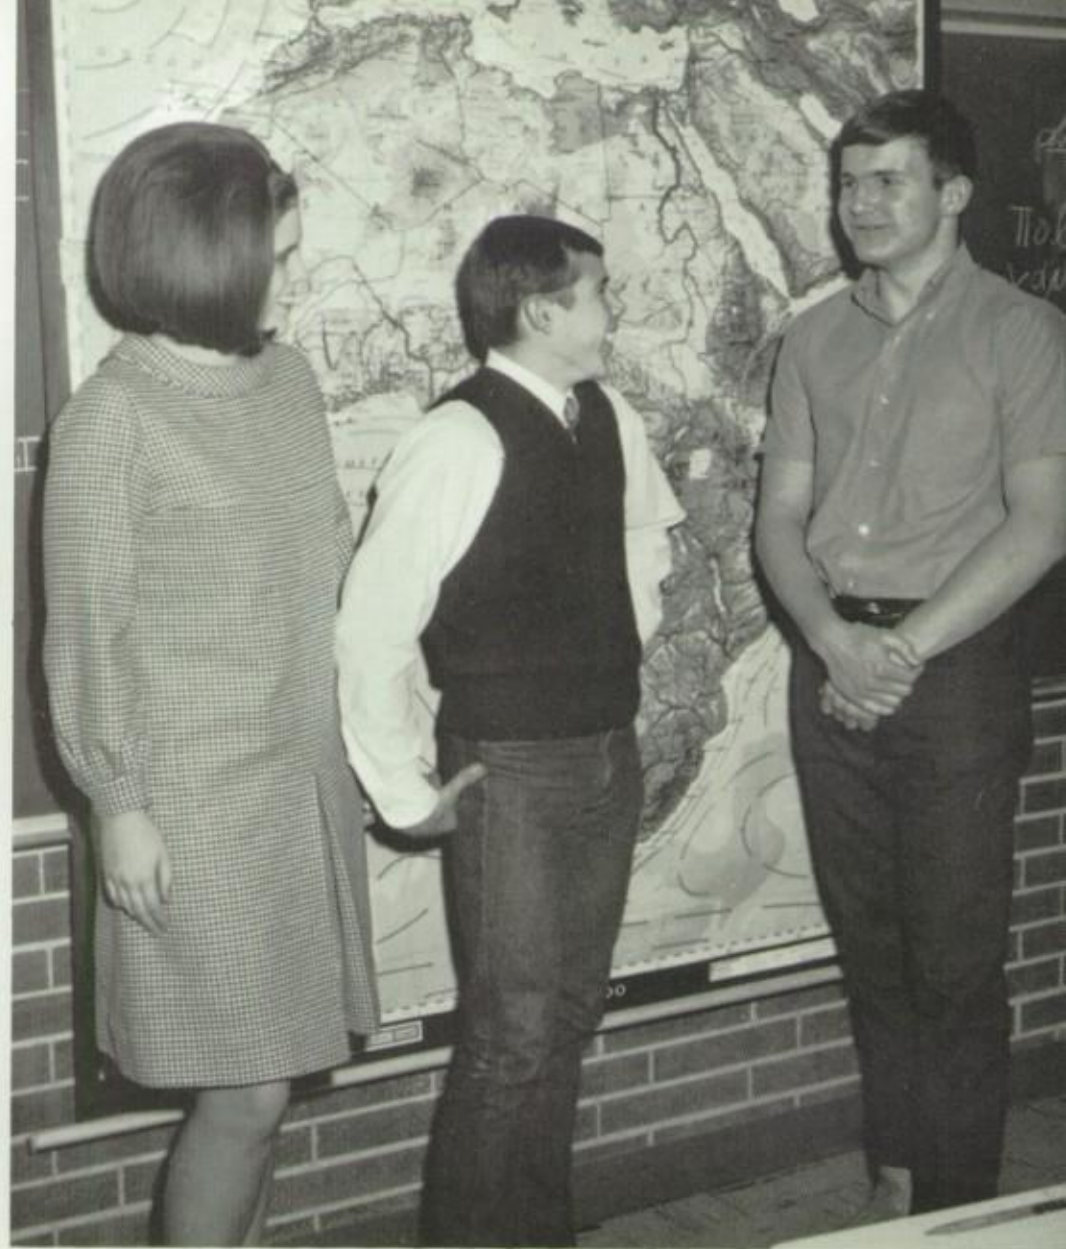

FOREIGN LANGUAGE OFFICERS: BACK ROW: Sharon Brown, Mr. Hussie, Miss Cobb, Connie Field, Mary Middleton, Cindy Post, Pat Minikus. FRONT ROW: Anne Proctor, John Busby, Crickett Sarr.

# Checkmating world affairs

"On today's agenda..."

INTERNATIONAL RELATIONS OFFICERS: Sue Smith, Jay Meshko, Brad Baker.

Making the moves in world affairs or a game of skill requires concentration and knowledge. International Relations Club, Soviet Relations Club and Voice of Youth all provide materials through which members can observe and learn from the triumph and the checkmates of world affairs. Chess Club members also study moves and then pit their knowledge against one another in a game of war.

SOVIET RELATIONS: BACK ROW: Andy Padon, Chris Soper, Mr. Lewus, Carolyn Brown, Kathy Mattox, Shirley Hathaway, Sue Perkins, Eileen McIlvain, Kathy Montague, Linda Sanders, Olena Riabec, Lynn Quick, Chris Shannep, Becky Propst. AUTO MECHANICS OFFICERS: Skip Swanson, Dauane Elkins.  
KNEELING: Bill Davis.

"Do you think it will run?"

Practice in specific vocations provides the purpose for these clubs. Business Club members work at clerical vocations in many local businesses. Sketching and drawing are some of the many ways Future Artists members prepare for the future. Future Homemaker members prepare recipes and sew as a means of practicing to be homemakers.

# Probing the facets of man

Despite contrary reports from English teachers, Lakewood students can speak the King's English. The music department proved the point with its spring musical, "My Fair Lady." The play chronicles the rise of a Cockney flower-girl from guttersnipe to fair lady.

# Articulation of thought

Princes, kisses, poison, and strings supported "Snow White and the Seven Dwarfs", a fantasy of romance and witchery presented November 16, 17, and 18, 1967. The success of the Junior-Senior Prom dangled on the success of the Junior-Senior Play which dangled on Shelley's dangling.

# Flying faculty

"Try to miss my ear this time, Mr. Jenson."

"I don't think I was meant for this sort of thing."

Ten stubborn donkeys jolted the student body on the night of the Donkey Basketball game. Teachers and students alike donned "protective" costumes for the event; students and teachers alike failed to escape bumps and bruises. And Phil Shepardson brought the L-Club a 28-26 sudden death victory with his winning basket.

Varsity victory.

# How the West was won

Oops!

Fall freeze-out.

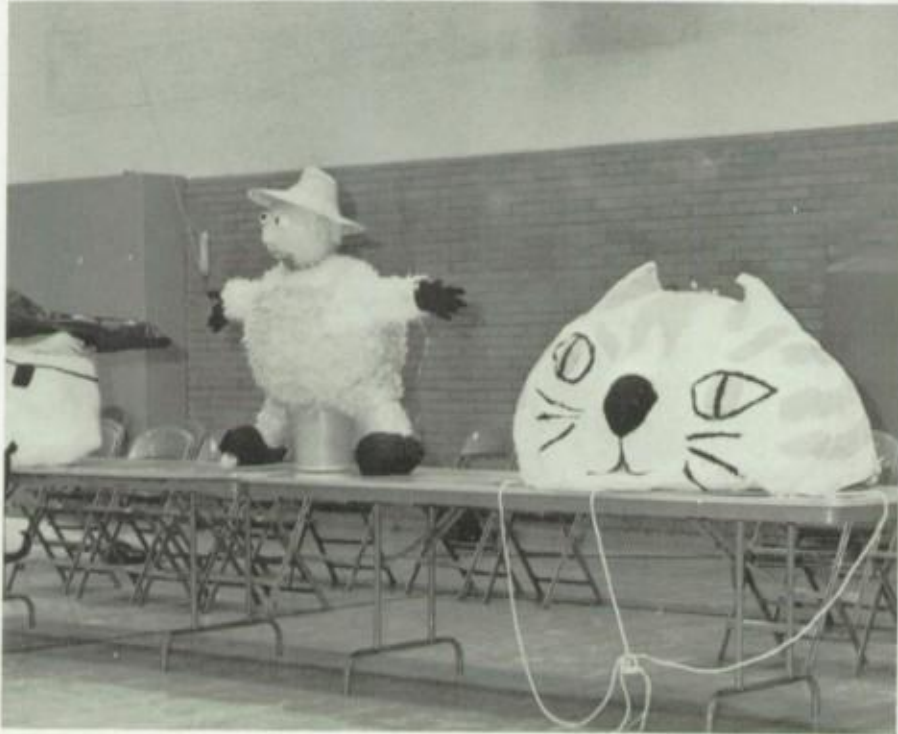

A hard pull for victory.

Fall beckoned Lakewood High to participate in the annual Homecoming activities. In keeping with the theme, phrases such as Happiness is going to Lakewood, building a Tiger, making a poster, dancing all night, and knowing we're going to win tonight, set the tempo. Even the weekend's sub-freezing temperatures failed to chill the Tigers' spirits and the Tigers scored a 35-0 Homecoming victory over Arvada West.

# The tournament opener

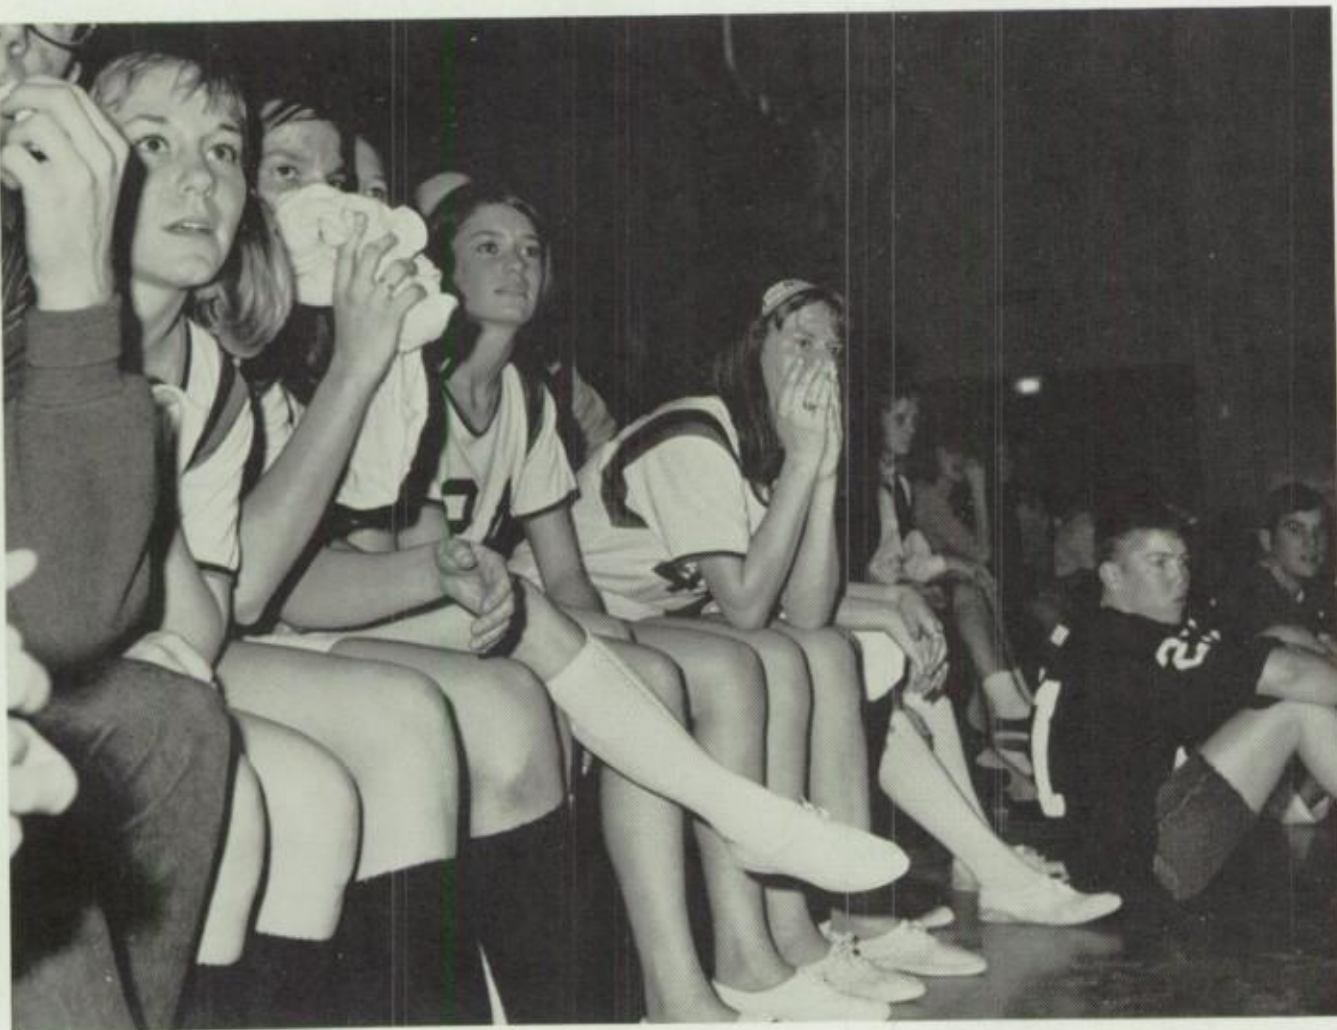

Spirited competition launched the L.H.S. basketball team into the Jefferson County Basketball Tournament as Lakewood students participated in Beat Week. Activities of the week included class pinatas and skits, the Powderpuff Basketball game, victory contests, and a faculty picket march. Stressing the concept of unity for victory, the judges declared no winner.

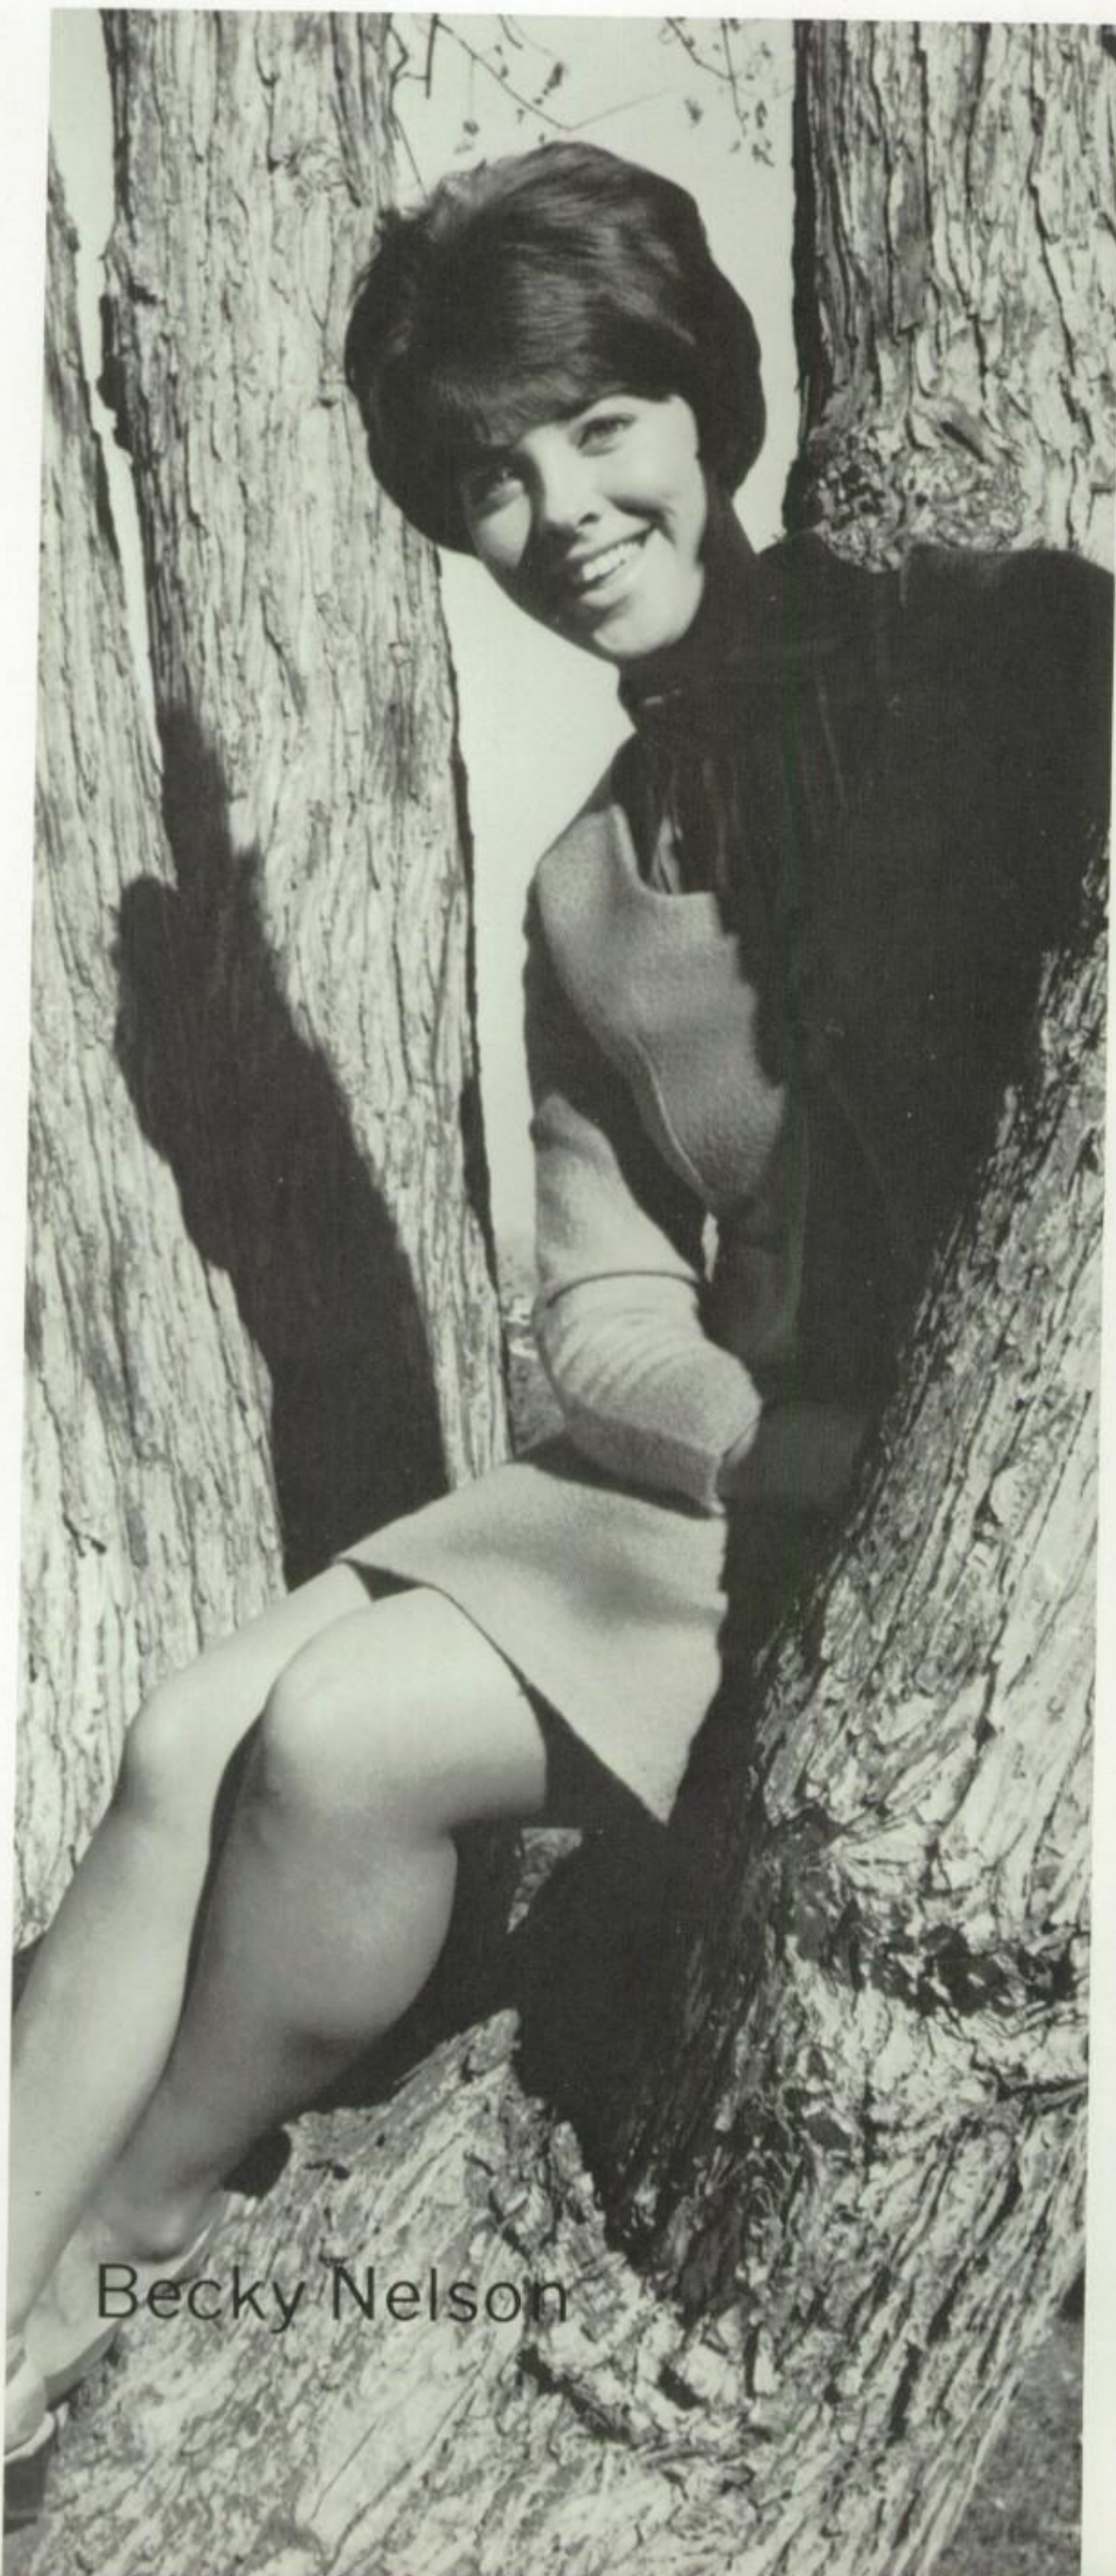

# Powder-ruffians

The girls normally confined to cheering from the sidelines finally got off the benches to play in Lakewood's Powderpuff Basketball game. The first contest of the evening pitted the sophomores against the juniors with the juniors emerging victorious 23-16. Undoubtedly the high scoring game of the series saw the female faculty-faculty wives team sneak past the sophomores 6-3. In the final game, the juniors won again, over the seniors 16-12.

# Happiness is . . . Homecoming Royalty

The rustle of autumn leaves and the crispness of the November air lent to the splendor and aura of Homecoming '67. The game and the dance provided the majestic background for the queen and her attendants. The thrill and suspense of the crowning added a finishing touch to the week's activities.

## Memories are made of this

A highlight of the activities of the Spring semester is the annual Junior-Senior Prom. Set to the background of romantic music and the rustle of floor-length formal s, it foreshadows the end of another school year while it stirs both future anticipation and past memories.

During a special assembly the students receive pins as tokens of acknowledgement. The ceremonial pomp and circumstance includes bronze pins for first year recipients, silver for second year, and gold pins for third year.

# Excelled ability

Those junior students in the upper 10 per cent of their class and those senior students in the upper 15 per cent of their class are eligible for membership in the National Honor Society. However, service to L.H.S. actually determines those who are elected. This year Honor Society initiated the tutoring program and sponsored the Book Fair, as well as managed the Honor Society Book Store.

Name it--football, baseball, or gymnastics--a line of players first drives to compete, and to win. Competition is a team sport, played not for the individual, but by the individual for the team... the line drive--for a team, for a school--Lakewood High.

## Hoopla

The basketball team, coming out of the season with a 7-8 record, saw a difficult season with tough competition from all other Jeffco squads.

This year, the playing format was changed with the Tigers playing each of the other league teams only once and culminating the season with the league tournament. With this new system, the team also had frequent non-league games with Denver and other suburban league squads.

Finishing second in the League relays and fourth in the Triple A Track Meet last year, the team this year has many returning lettermen. Team members despite the lingering cold and snow of winter, work diligently in preparation for spring competition.

One for all, all for one,  
We're the best class  
yet to come,  
To victory we dedicate  
The mighty class of '68

Z-Z-Z-Z-Z-Z-Z-Z

As graduation nears, the senior class of 1968 can cherish many experiences. Academically, with the excellent preparation each of us has received at Lakewood High, we can look forward earnestly to the future. Socially, the numerous activities--games, dances, plays, shows--all will contribute to memories of good times and wonderful friends. However, in a large sense, each of us has started to mature.

# Glimpsing the future

Through  
past  
tense

Your memories, of subjects,  
verbs, and objects, build the  
vocabulary of the future. Thus  
the future becomes not a repeti-  
tion of the past, but a sentence  
structured in the past.

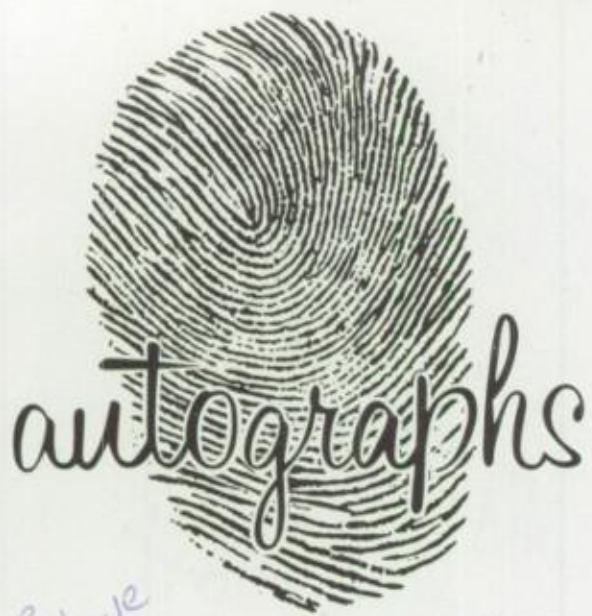

The  
perspective  
of the  
future

Sue,  
You have  
to be the  
sweetest. You  
always make  
me feel happy  
when I'm around you.  
Good luck always.  
Debbie Guinness 170

Sue,  
This is to a real cool kid  
who also had to suffer  
through Mr. Adams class. (HA-HA)  
Good Luck Always  
Jaythe Huston

Sue,  
It's Really been  
a lot of fun having this  
year. Hope we get some classes  
together next year. You're a really  
sweet, cute, cool girl and I'm glad  
I know you -  
Janie Biggs '70

Sue,  
It's terribly hard for  
someone like me to say  
something nice to someone  
as sweet as you - (Aha! try  
to figure that one out) - especially  
since I hardly am ever around  
you. But I know you're the kind  
that will really be something -  
(even if it is just a plain  
old housewife!) I wish  
you all the luck there  
can be for  
Jayce

next year. Good Luck  
to some classes together  
- Hope that we'll be  
in English with ya  
- It's really  
been fun being  
one

Sue,  
We have had  
a rust in Study Hall,  
World History & Geometry. I  
hope we are the same classes  
next year. We always seem to be  
laughing which is my favorite  
pastime. Because of the way you are  
happy to have you as one of my close  
friends.  
Sandi Bruce '70

Sue,  
You're a great kid,  
a little too smart,  
but nice! I know  
you'll go far. Now that  
I'm finished with all  
that mush... good luck  
with Mrs. Adams!  
Love ya,  
Not

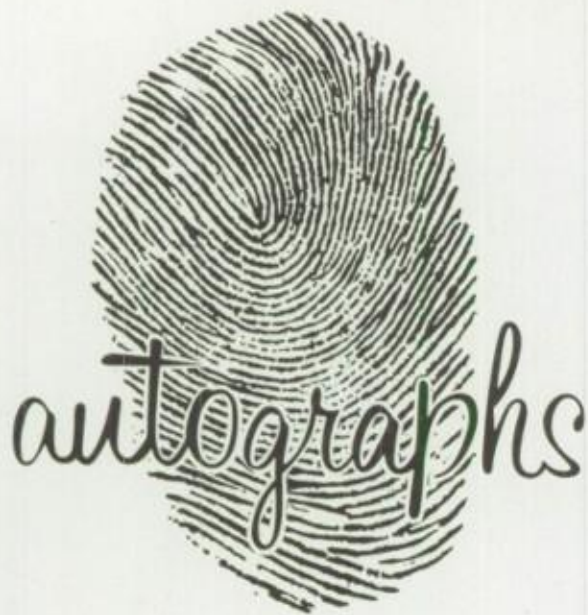

Sue,  
You've been a great  
person this year, you're  
really cute and have  
a great personality. Hope  
I see you this summer  
and next year, and forever  
more.  
Love ya!  
Annie

Sue, Lin

I had such a great friendship!  
but now have corrupted you

more teen that way. Right?  
Hope your nest full of baby  
are fast! Love ya!  
Mauri

Sue,  
Well it looks like we made it through  
another year. It was <sup>nice</sup> ~~also~~ having you in  
my homeroom only I wish you could have  
been in more of my classes. I have fun this  
summer. See you around.

Good luck This Carter

Sue,  
To a sweet and  
sassy, innocent do-  
be. (U-HUH) It's bean  
a kick in the ---- in  
study hall and world.  
Watcha call it. BLAH!  
LUCK TOYA-ANNETTE

Sue,  
Sorry about the  
whole thing. Maybe next  
year I will recover from my  
plight of frequent ups & downs. Have  
fun this summer. See ya around.  
Chris H. '70

Dear Sue & Girl,

I'm completely convinced  
that you should go into the  
business of making clothes. You've  
sure had a damn lot of practice.  
You seem to be the only practical  
person I know although you're  
pretty much a sometime come around  
which are funny, too. Don't ever  
change, my heart & blood pressure  
couldn't take it.

Waver
